ABOUT US:

Peoples Empowerment Trust (PET) is aiming to be one of the largest Technological and Scientific research and evaluation organization. The aim of this advanced technological forum for the researchers & scholars is to exhibit their knowledge in the area of science and technology. PET is founded in 2012 as a not-for-profit organization and registered under a trust. We are standing tall in the field of research & technology, our objective is to provide a platform which will encourage and support scholars, researchers & professionals to carry and accomplish their research. PET is an open association of excellent Scientists, Academicians, Professionals, Engineers and Scholars.

CHAIRMAN'S DESK

MR. RASANANDA BARIK

HONORABLE CHAIRMAN,
Peoples Empowerment Trust
Mail: rn.barik12@gmail.com

It is my great pleasure to see the annual report of the PET for the year of 2015-16. I feel honored to be a part of such a great Organization which is a unique of its kind. From 2012 to till now we have seen many ups and downs but we remain steady our values and ethics during our journey. Today we have around 40 highly qualified employees working at our Head office and around 15 Coordinators associated from different part of the world. Today we separate dedicated teams to work more efficiently and effectively during lest period of time. We are also emphasizing more on reaming our key employees. Our vision is making this Organization one of the best research Organization and publication house.

I thank all our employees, my family, our coordinators, Govt. of India and God.

*विद्या ददाति विनयं विनयाद् याति पात्रताम्।
पात्रत्वाद्धनमाप्नोति धनाद्धर्मं ततः सुखम्॥*

Thank you.

PUNE

CHAPTER

Pune Chapter seminars:

As a Continuation of our journey to the one of the India's best education hub and beautiful city PET has successfully various seminars during the 2015-2016. Over 1000 research scholars, master students and professors across the Maharashtra , MP, Karnataka have attended our scientific seminars and workshops.

Eminent professors from different colleges also attended during the event and delivered the guest lecture on specified topics and emerging research areas. The number of participants have been increasing every year.

SEMINARS ORGANIZED AT PUNE DURING 2015 AND 2016

- Various engineering seminars on topic like Electrical Engineering, Electronics Engineering, Mechanical Engineering, Production Engineering, Communication Engineering, Computer Science and IT, other scientific topics like, Microbiology, clinical science, Medicine science, chemical science, educational technology, and mathematical research topics also covered during the seminars at the Pune chapter. Every seminars some young researchers has been awarded as “Best paper award” who received a certificate and momento for the session chairs or the guests.

Chennai

Chennai Chapter seminars:

In continuation of our Journey PET and IRAJ has successfully organized various scientific seminars at the south capital of India popularly known as Chennai and its near by areas.

As we all know the Chennai is one of the largest education hub in south India, so the PET has taken the initiative to educate and provide the various ongoing research activities in the south India. PET have organized more than 15 Educational Seminars and expert lecture talk at Chennai Chapter which consists of Hyderabad, Bangalore, Chennai, Trivendam, Puduchery, Cochin etc.

New Delhi

CHAPTER

Delhi Chapter seminars:

The India's Capital New Delhi has been perfect place for the science and research innovation. Many educational institution and research bodies has been working here. To support them PET have been organizing various seminars and events every year.

BENGALURU CHAPTER

Bengaluru Chapter seminars:

As a Continuation of our journey to the one of the India's best education hub and beautiful city PET has successfully various seminars during the 2015-2016. Over 1200 research scholars, master students and professors across the Karnataka attended our scientific seminars and workshops.

Eminent professors from different colleges also attended during the event and delivered the guest lecture on specified topics and emerging research areas. The number of participants have been increasing every year.

SEMINARS ORGANIZED AT Bengaluru DURING 2015 AND 2016
